

Teacher Education

Mission:

The mission of the Teacher Education is to prepare teachers who are effective in California's diverse schools. An effective teacher knows a variety of approaches to teaching and classroom management for large groups, small groups, and individuals. An effective teacher uses approaches appropriate for the purposes of a given lesson and meets the development needs of students from various cultural, socioeconomic and linguistic backgrounds.

Degree Offered:

A certificate program consists of a coherent set of academic courses considerably narrower in scope and objectives than a degree or major.

Certificate programs are normally oriented toward occupations and career skills or for a specifically designed purpose. Courses are intensive and include practical studies in current business practices and technologies. The certificate programs consist of a sequence of required and elective courses that connect technical and functional skills with precepts of specialized areas of a profession.

Preparation courses for credentialed teachers to obtain a supplementary authorization CLAD or BCLAD certificates and courses for the Clear Credential are available. The Commission on Teacher Credentialing (CTC) has approved NHU to offer courses that satisfy the requirements for the supplementary credentials.

Career Opportunities:

Elementary and High School Teacher
